

Is your organization actively looking for ways to “give back” to the community?

Do you want a “jump start” on identifying the next generation of technical talent?

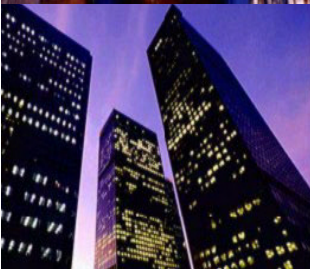

Would you be interested in meeting and networking with some of Tampa Bay’s successful leaders in technology?

If you answered **Yes** to all of the above questions, your company should consider sponsoring the Tech Bowl.

The second annual Tech Bowl will be held on October 25, 2008 at the Brandon Campus of Hillsborough Community College from 9am to 3pm.

The Tech Bowl is a panel-style single elimination tournament involving computer and technology questions. There will be sixteen teams of 4 high-school students (14-18 years) competing for grand prizes of laptop computers and “bragging” rights of 2008 Tech Bowl Champions. First-round losing teams will compete in a consolation round. All team entrants will receive a prize.

Why Not, Get involved!

Businesses and organizations who sponsor this event will provide a coach for each team. Your business may also gain exposure from the event program booklet, through signage, and promotional opportunities. Team sponsorships start at **\$2,500** and details are on the next page.

The Tech Bowl is a great way to show your support of computer literacy for the next generation, and spend a day with a group of kids having a lot of fun in a learning environment. We look forward to your participation in this year’s event.

Thanks for the opportunity to partner with you!

Yours truly,

Ralph A. Smith
Executive Director

Teams are filling up fast. Deadline for sponsorships is August 31
